

### I. READING

Sandra lives in Australia. In January it's very hot there. She often wears shorts and a T-shirt. She goes to the beach every day. She swims in the ocean, surfs and plays with her friends.

Jack lives in Canada. January in Canada is very cold. Jack always wears a warm coat, a jumper and a woollen hat. In winter he plays in the snow, skates on ice and sometimes goes skiing.

Martin is from London. He doesn't like January because it often rains. It isn't very cold, so he doesn't wear a hat or very warm clothes. He doesn't go skating but he often plays football in the playground.

Cyril lives in a village in the south of India. It's very hot there all the year round. Cyril hates January because there are often typhoons and heavy rains. He goes fishing with his father in the sea every morning. It's their job. In the afternoon he helps his parents sell fish in the fish market. He doesn't have time to go swimming in the sea. Once a week he plays cricket with his friends. He wears only shorts.
